

Motoring Events

Variety Queensland's three iconic motoring events help power everything we do, creating unforgettable adventures, while empowering children across Australia to live without limits.

The **Variety Bash** is Australia's longest running and most iconic charity motoring event, travelling through some of Australia's most spectacular scenery, creating memories, mateship and impact to last a lifetime.

The iconic **Yamaha Variety Jet Trek** is Australia's largest and most successful charity personal watercraft (PWC) event, with participants fully supported throughout the Trek with medics, mechanics, ramp crews and more.

The **Variety 4WD Adventure** takes participants off the beaten track to some of Australia's iconic offroad locations with every kilometre travelled creating a real difference for Aussie kids.

Fundraising Events

Outside of our motoring adventures, Variety Queensland holds numerous one-day events from our fundraising **Variety Magic Round Long Lunch** to our **Celebration of Friendship Golf Day**. Year round, our supporters also raise money through their own events including **boat cruises, discos, galas, mini-Bashes, camping weekends, races** and more!

Creating a Future Without Limits

MADE POSSIBLE. THANKS TO YOU

We Empower Children to *Live Without Limits*

Purpose & Impact

When children who are sick, experiencing disadvantage, or living with disabilities are left with nowhere else to turn, we provide the critical help and hope they thought was out of reach.

Variety fills the gaps when systems fall short, **providing support that makes a real difference in a child's daily life** – including practical items not covered by the NDIS.

Variety's Story

Variety started in 1927 when a group of show business people discovered a one-month-old baby girl at a theatre in Pittsburgh with a note from a desperate mother. The group informally adopted the baby and went on to pay for her education and upbringing. Inspired, they started raising funds for other disadvantaged children and Variety – the Children's Charity was born.

Variety established offices in Australia in 1975, now with 7 nationwide - all dedicated to giving Aussie kids a fair go.

Grants

Variety funds essential items that help children and their families access resources and support they need to thrive: Medical and mobility equipment, communication devices, educational tools, technology and sensory resources.

Our grants include Bikes for Kids, so children can stay active and healthy, Edukids, providing essential back-to-school stationery, and Wigs for Kids, for children who have lost their hair due to medical conditions.

Scholarships

Variety supports children across the arts, education and sport, so they can reach their full potential and follow their dreams. Scholarships cover costs such as coaching, equipment, uniforms, lessons, and essential resources.

Programs

Variety delivers inclusive programs providing opportunities for children to shine: Variety Kids Camp, Variety Motor Mouth Camp, Financial Literacy Program and YMCA Schools' Breakfast Program.
