OUR MISSION

We empower children who are sick, experiencing disadvantage, or living with disabilities through life-changing grants and programs that provide medical care, mobility, education, and support **to live without limits.**

We know every child's journey is different. That's why we **offer a range of grants and programs** designed to respond to both immediate needs and longer-term goals.

Each year, thousands of Queensland kids receive support from Variety **when they need it most.**

HOW WE HELP

Our Difference How We Help

We make sure children who are sick, experiencing disadvantage or living with disabilities can access the care and **opportunities they deserve.**

INDIVIDUAL GRANTS

We fund essential items that help children and their families access the care, resources and support they need to thrive. This **includes medical and mobility equipment, communication devices, educational tools, technology and sensory resources** – including practical items not covered by the NDIS.

COMMUNITY GRANTS

We support schools, not-for-profits and community groups through **grants that strengthen programs and environments for children** who need it most. Community grants can include funding for inclusive education resources, mobility and therapy equipment, assistive technology and sensory or recreational tools that create more accessible, supportive spaces for kids.

SCHOLARSHIPS

We support children with an existing talent across the arts, education and sport through Variety Heart Scholarships – **helping them reach their full potential** and follow their dreams. Scholarships provide funding to support the next stage of development in a child's chosen field, covering costs such as coaching, equipment, uniforms, lessons, and other essential resources.

PROGRAMS

We deliver inclusive programs that encourage participation, helping children build confidence, develop skills and feel a sense of belonging in their communities. Our programs include **Variety Kids Camp, Variety Motor Mouth Camp, Financial Literacy Program, YMCA Schools' Breakfast Program** and more.

BIKES FOR KIDS

Bikes for Kids provides children with brand-new bikes, donated by generous supporters, giving them the freedom and independence that comes with owning their own bike. **This grant helps ensure children can stay active and healthy,** while building confidence and a greater sense of belonging.

EDUKIDS

Edukids supports positive learning outcomes by **providing essential back-to-school stationery and supplies to students experiencing financial hardship.** Edukids helps ensure every child has the tools they need to learn and participate equally – and feel prepared for the school year.
